Elders and Brethren

Church of Christ

P.O. Box 675, Burnet TX 78611

Dear brethren:

Greetings from the Birmingham area!

Our house had its turn at COVID this month. After attending a preacher training session in Illinois over the week of July 11, several attendees tested positive for COVID. We were out of commission for about a week while recovering and quarantining, and Laura is still suffering some lingering after-effects. Prayers for her are greatly appreciated!

Currently I'm preparing for our Q4 Bible class on the period of the return, which will cover Judah's post-exile period and related books. I also will be preaching a meeting in Las Vegas in September, where I will speak on issues related to Progressive Christianity at the request of the Vegas Drive Church of Christ (Lord willing.) We will also likely resume our midweek study on 1 Peter this month, and have continued our Friday evening Bible reading discussion.

This month, the church will meet to discuss our current worship schedule and will likely return to either a two-service morning schedule or a more traditional morning-evening worship. That should mean a significant increase in my workload, but that's actually a good thing. In fact, due to travel and illness, I was only able to present two lessons in July, so I'm looking forward to increasing my lessons and cutting into the backlog of things I know we need to cover!

As always, you can find my lessons on the Kimberly church of Christ website, our YouTube channel, and on most podcast platforms. Thank you again for your prayers and your support, and please let me know if I can be of any service!

In Christ,
