Elders and Brethren

Church of Christ

P.O. Box 675, Burnet TX 78611

Dear brethren:

Greetings from the Birmingham area!

I pray that things are going well with the work there. We're continuing the process of looking for another work while I'm preaching at Kimberly. The brothers here have been great in supporting us and accommodating us in that search, and we've been blessed with several opportunities to speak with groups looking for assistance. We continue to pray and look for promising works where we can be an asset in some way through preaching and fellowship with that group.

This past month Laura and I visited the Kemp church of Christ in Kemp, TX, and the Viking Drive church in Bossier City, LA, but that wrapped up our scheduled travel, so we're back to a more normal routine in March. I've begun a series of lessons on the basics of the Holy Spirit, which began this past Sunday and has been well received. I should finish preaching through Romans this month as well.

We are also beginning preparation for our trip to Israel in May, which has been on our calendar for more than a year now. We're excited to go with a group of Christians, and I've been assured by multiple preachers that a trip like this makes a real difference in an evangelist's work, so I'm excited to get first-hand context of so much of what we read in scripture.

One of our members who had been diagnosed with breast cancer has just completed her regular radiation therapy and has moved on to chemo, but the treatments have gone well, so we're thankful to God for His care and providence. Please keep her and her family in your prayers as she continues working through the process.

As always, you can find my lessons on the Kimberly church of Christ Facebook page, our YouTube channel, and on most podcast platforms.

Thank you again for your prayers and your support, and please let me know if I can be of any service!

In Christ,
