Elders and Brethren

Church of Christ

P.O. Box 675, Burnet TX 78611

Dear brethren:

Greetings from the Birmingham area!

As I reported in my last letter, the Kimberly church held its last assembly on June 19, preceded by a final congregational singing on the previous Friday. So now we are in the process of lining up our next evangelism opportunity. I have faith that we'll have a destination in the next month, but please continue to pray for us!

I have three potential spots for our next work, and it is possible that we will not require outside support in at least one of those locations. In July, Laura and I will return to one location where we had previously visited, as it appears they are ready to invite us to work with them. That is not definitive, but they have elected not to invite any more prospective evangelists back, so it seems likely that they will extend that invitation to us.

In addition, we received an invitation to preach in Washington State, and so we will travel there the following week. We have a third visit scheduled for another group in Arkansas in August. God has been gracious to us and provided abundant opportunities, and I've learned the value of patience in allowing His plan to run its course.

I cannot adequately express my gratitude to you all and to the brethren who have continued to support me during times when I'm sure my future work appeared to be in doubt. I fully expect that by God's grace, we'll be taking on a new work in the early fall. Please continue to pray for us in that search, as nothing has been finalized at this point.

In the meantime, I'm keeping busy. This month, I'll be attending a preacher training week in Illinois hosted by Ken McDaniel. I've been hopeful to continue a series on Facebook called "The Weightier Matters," and I've completed several broadcasts with my partner Kyle Ellison, but unfortunately Kyle has had some schedule conflicts that have kept us from being consistent on a weekly basis. (You can listen to those broadcasts on our Facebook page.)

Thank you again for your support and encouragement!

In Christ,
