Monthly Report: July

Dear Brothers & Sisters in Christ,

We were very blessed in July. We had two baptisms! One young lady is deaf, and we communicate through her mother and text messages. Her mother is also a new member within the past year. They both have been watching us on Facebook for a few years. The other one was a young man who three weeks ago started visiting us. Last Wednesday night the Bible study was on baptism, which after class he approached me and said he wanted to be baptized.

I am continuing to preach through the books of Hebrews in the morning and Romans in the afternoon. I have had good responses and some that it has caused some good conversations. We continue to work our Facebook and YouTube efforts. It has been harder to track results of the Facebook live streaming. I have found the number is increasing on Facebook. During a family reunion some told me they were now watching. I also just received a phone call from a member of the church that lives in Deming NM, which is about 65 miles from Las Cruces. The church there closed two years ago. He and his family were trying to come to Las Cruces to worship but due to health and other problems have not been able to. However, they have been watching services and bible study online.

Two young girls who grew up in the church here have come back and started worshiping and bringing their children to bible classes.

Church financial situation: Though encouragement our contribution has improved, but still low. We've also taken some measures to cut expenses.

Please continue to mention us in your prayers and I pray all is well with the brethren there!

Your fellow brother and servant in Christ,

Ron Herring
