Greetings,

RIM COUNTRY CHURCH WORK-

We have enjoyed attendance from a number of visitors. We had a Christian from the Tonto basin area worship with us for the past four weeks. Debbie Riley-Peterson is from Prescott and she and her husband are trying to sell their house in Prescott and continue building in their present location near Roosevelt Lake. Her husband works in contracting and his work takes him to different areas. We hope she will be able to continue to worship with us. Her location is about 35 miles one way. We had a visit several months ago from a couple who moved to Tonto basin, but due to high gas prices or other reasons we have not seen them again. We also had some elk hunters from Kansas worship with us one week. It was nice to have these three young men with us.

We continue to have our two visitors, Robert Overland and Jere Jarrel, attend my Wednesday morning class on the concept of the church. We are now in the third part of the study, looking at the metaphors for the universal church. I am still using the power presentation to keep us on tract but it takes much more time to prepare besides the handout with the same material.

The sermons have lately been demanding of me to get things together while studying for another requested lesson that seems to get bigger and bigger on faith vs. works, gospel vs. the Law and legalism. I am having to refresh my memory and do some new research on the subject, but I think I am finally seeing how best to organize the material. I am afraid it won't be just one lesson on Legalism as requested.

Brian Muller continues to do a good job on Sunday morning Bible class in teaching the minor prophets. He has finished the book of Nahum and we are now starting Habbakuk.

Our attendance by our regular members has varied due to family obligations on behalf of some. Brian's neighbor, Annabell, who has been coming, has had health problems most of the month, but we did see her one Sunday.

HEALTH- I am glad to report that Joanne’s surgery has helped tremendously. She came out with very sore ribs and these had to be nursed for the whole month and is finally doing better. The constant pain in her back and upper legs is now controlled. What a blessing! We give thanks to our God for being merciful in bringing this about. She is now going to physical therapy to build up muscle strength.

I am doing better with my physical therapy but I still have trouble with my hip and now leg cramps have come to visit when I “sleep” at night.

AFRICA -

Some of the food shortage in Zimbabwe has been met, but more has not. A faithful preacher in Harare area, Wilesi Raphael writes, “Nyahunzvi church, Tabhanga and Domboshava are in great need. They are about 86 families and individuals in need. \$18 per family can suffice.” He has asked me to reach out to churches that might be able to help. Wilesi’s email is wbraphael@yahoo.com Help him if you can. I am focused helping preachers in Southern Africa to maintain their support. One faithful preacher Paradzai Kusena used his cell phone so long that the phone system will no longer give it service and is requesting \$150 to get a phone that will work. His email is paradzaikusena93@gmail.com. He is worthy of your help.

This is the support I am aware of that these men received for September:

Zimbabwe- Paradzai Kusena, \$230/mo.; Richard Maribo, \$200/mo.; Dumisani Mutemera, \$130/mo.; and Mhondiwa Magwere, \$200/mo.

Mozambique- There is no known help here due to a situation that we are trying to get more information about and it is coming slowly.
