Elders and Brethren
Church of Christ
P.O. Box 675, Burnet TX 78611

Dear brethren:

Greetings from the Birmingham area!

We have good news to report this month. We received an offer after our most recent trip and are currently in our “consideration” phase. We still have one other group that is exploring its options, one that has just recently approached us in the initial stages of its search, and one more which has come up recently here in Alabama.

We have told the church that offered us a position that we would decide in the next two to three weeks, as we had other considerations, and they agreed to that. (I don’t want to disclose any locations until the decision is finalized.) It is a smaller group with no elders and would require substantial outside support.

Another option closer to our current location may be in the works. The eldership at a church here has received several requests to retain me, and they are currently discussing that option. They have two preachers – one of whom is the primary pulpit teacher, with the other working more with classes. However, that preacher has been hindered by health issues for some time, and they haven’t been able to do a lot of work in the community that they would like to do. This work will likely also call for outside support, but it would offer the chance to work with an established eldership and a group where there is a greater potential for growth, as well as simply being part of a stable work where I could truly make an impact teaching and preaching.

If all goes according to plan (and God wills), we will know this month where we are headed, and what we will need in terms of additional outside support.

As always, please remember me and Laura in your prayers, and I will continue to pray for you all there in your work. Thank you and God bless you!

In Christ,
