Elders and Brethren

Church of Christ

P.O. Box 675, Burnet TX 78611

Dear brethren:

Greetings from Graham,

Thank you for continuing to pray for us as we get through our transition into the new work here. We are moved into the house but still have a long process of unpacking ahead of us. We still have a few things that the movers could not move, and Laura will be bringing those back down once her car is serviced in Gardendale. (We did find out that the repair is covered by a recall, which was a great relief, but it will be down for an additional 1-2 weeks.) For now, Laura has come down to be with me in Graham, and will go get the car once it's repaired.

We are hosting a meeting on the first weekend of April, which will be my official "introduction" to the community. I'm finalizing the topics this week so we can begin advertising and putting together fliers. I will be addressing several of the same topics that I covered in a series on Progressive Christianity, since apparently that has been an issue at one of the larger churches in town.

We are also consolidating our Facebook accounts into a single page. If you have not yet followed our page, please visit us at <https://www.facebook.com/GrahamChurchOfChrist>

We are continuing through Ferrell Jenkins' workbook on the Theme of the Bible, and I am scheduled to begin teaching through the gospel of Mark on Wednesdays beginning in March.

In addition, Kyle Ellison and I will be resuming "The Weightier Matters," a Facebook livestream discussion on Mondays at 10 a.m. We'll be devoting the

weekly discussion to current issues and questions in the church, beginning with the topic of “emotionalism.”

Please continue to pray for us and our growth – spiritually and numerically.

Thank you and God bless you!

In Christ,
