Beloved Brethren,

Greetings in the precious name of our Lord Jesus Christ.

We are hardly praying that we will overcome the crisis and the COVID- 19 soon, that the whole world are suffering this days.

And also we are hoping that you're all in good health beloved brethren.

Here in Ilocos Norte, we have lots of P.U.M. and just recently the hospital declared 2 positive patients from COVID-19 here in Ilocos Norte. The governor even declared the whole province in total lockdown.

That makes our situation even harder because we had to stay home and we can't go on with our normal daily routine. We can't even go on other municipalities to buy some supplies.

About our preaching schedules, we had only few from March 01 to 15 because the Philippine president already declared the whole Luzon under enhance community quarantine March 15 to April 14. Then they declared the whole country under state of calamity for 6 months. And then March 22 the governor of Ilocos Norte declared the whole province under total lockdown.

But we are happy that our Sunday worship here in Parado is still going on every Sunday, we just prepare the chairs one meter apart because the authorities had warned us about not to conduct any gatherings to avoid close contact with each other.

March 05, 2020-9:00A.M.-We conducted Bible study at 138 Police Detachment, Poblacion, Marcos, Ilocos Norte.

March 06, 2020-1:30P.M.-We moved again to Bubon, Burgos, Ilocos Norte where we conducted a series of Bible studies and the result was seven precious souls confessed and baptized into Christ that afternoon, They're;

4. Ruben Sagulla-51yrs.old
5. Gina Cariaga-42yrs.old
6. Marinel Caloan-22yrs.old

March 07, 2020 4:00P.M.-We conducted Bible study at Hilario, Banna, Ilocos Norte for the thanksgiving of Acuña family for the 2nd birthday of their daughter Hanna Bernadette.

March 13, 2020-1:30P.M-We moved again to Bubon, Burgos where we conducted another Bible study and the result was two precious souls obeyed the gospel and baptized into Christ, they are

1. Jefferson Inong Saguilla-23yrs.old
2. Emjay Tumamao-23yrs.old

That's all we had for now beloved brethren.

We are continuously praying hard that the virus (COVID-19) would end soon. And hopefully the countries that have been affected by the virus would recover soon.

May the good Lord continue to protect and bless us all.

I'm so sorry for my delayed report beloved brethren because of our situation, no computer shop had allowed to open at the moment.

Yours in Christ
