To the elders of the Benchley church of Christ. Greetings in the Lord.

I hope and pray you are well, or at least as "well" as can be expected in these challenging times. We have been greeted with a generous shower of grace from the brethren at Lakewoods Drive since our arrival on June 9. We have found the group to be as harmonious, motivated and loving as we had come to believe in previous conversations. Spirits are high, numbers are up, and some who have recently been driving great distances to worship are showing an interest in working with the local brethren, which benefits us all. We have every reason to expect great things in both the near and the distant future.

As you are no doubt aware, the church is trying to recover from a difficult separation from the previous evangelist. Since our last correspondence he has "set up shop" with a non-denominational assembly, currently meeting as "The Church on the Square." He is listed as "pastor" and two other former members as "shepherds." Perhaps less said on that subject is better than more.

Our monthly business meeting was on June 30. We agreed to work toward rebranding the church (logo, signage, etc.). You will see the results of that shortly, we hope. Since we are receiving a generous settlement from the sale of our house, I have offered to bear the financial burden of this move. This is not out of necessity, though; the church finances are sound, giving me great hope I will be able to begin turning back support by the end of the year as I had planned.

My online work will continue as before, more or less. My podcast, Citizen of Heaven, premieres every Tuesday morning, both audio and YouTube versions. Please follow and support this work; it is an easy way to bring up spiritual conversations with local friends as well as an effort for the Lord with people we likely will never meet. Also I am recording an extra sermon (Sunday's gatherings are limited to the morning currently) to drop on YouTube at 5 p.m. every Sunday afternoon. This also is a good way of keeping up with me and my work. We will shortly begin afternoon gatherings, alternating (we think) between a men's study, a women's study, a teen study, and a worship study/signing/potluck.

Thank you again for your support, and God bless you in your corner of His vineyard.

Brotherly,

Hal Hammons.
